This Certificate is valid in the United Kingdom.

This Report has been issued by HPi Verification Services Ltd. which is an Approved Body according to the provisions of the Pressure Equipment (Safety) Regulations 2016 (Approved Body number 1521).

This Report is issued following the assessment of the documentation and implementation of the Quality System in accordance with the provisions of the quoted Conformity Assessment Module of the above regulations. The UKCA Mark may be affixed to the Pressure Equipment within the scope of approval as described above once the 'declaration of conformity' has been signed by the responsible person. The number '1521', being HPi Verification Services Ltd's Approved Body number should also be placed on the equipment dataplate.
